

Technical Information 't Blok

ADDRESS AND ROUTE

IJsermanpad 1

2911 PH Nieuwerkerk a/d IJssel

(use "Kleinpolderlaan" as street name for navigation system)

Arriving from exit Nieuwerkerk a/d IJssel on highway A20.

From Gouda/Utrecht: Take the third exit on the first roundabout and go straight (second exit) on the next.

From Rotterdam, take the third exit from the first roundabout.

After about 600 meter go straight on the roundabout and follow the road until you cross the train track. Then take the first exit on the next roundabout.

't Blok can be reached for loading and unloading. After leaving the roundabout enter the bicycle track to the right. The pole can be removed by the crew. Follow the cycling track until you reach

the venue. You can unload directly on the stage at the second door. Unfortunately cars can not be parked at the venue, there is free parking available next to the road where you entered the cycle track.

AUDITORIUM

Max. Audience: 120

Backstage area and toilet facilities are available. To be shared by all performers.

Stage approx. 8 x 4.5 x 1 meter.

Crew will try to have the stage prepared before the arrival of the bands. Due to circumstances it is possible that crew will still be setting up. Time of arrival to be agreed in advance, preferable approx 2 to 3 hours before the venue opens for audience.

BACKLINE

Drumkit Pearl

1x Kick

1x Snare

1x Hi-hat
